PRESIDENT'S MESSAGE

Now is the time to get your Falcon out of the garage and get it ready for the up-coming two Regional shows in Long Beach, MS and Tulsa, OK. If you have never attended a Regional meet you are missing out on a lot of fun. Go out and support these regional groups--meet new and old friends--share ideas that will make our club and cars the envy of all.

We continue to receive dues renewals at the old rate. As stated in last month's newsletter, the current dues is now \$17 per year.

We still have Chapter secretaries who have not sent in a roster of your members (to Ruby Throgmorton). Please do this as soon as possible.

You should now start thinking about making your reservations for the National Convention in Earth City, MO, in August.

You should have already received your 1990 national roster. Keep it in your Falcon's glove box when traveling. Hope you enjoy it.

As one President to another--me to President Bush--I don't like broccoli either!

--Gary Goddard, President FCA

CHAPTER DOINGS

Founder's Chapter met at Bowen's Restaurant in Arkadelphia, AR on March 10 with 25 present. The next meeting will be on Saturday, April 14. All members are urged to meet at Mr. K's in Benton, AR at 11:30 am and form a Falcon Caravan down to Malvern, Ar, for a show at the Dale Horn Ford agency there.

Gateway Chapter met February 25 at Shoney's Restaurant in North St. Louis County. A young couple who recently moved here from Texas attended our meeting. They have a nice 63 white four door. We hope they keep coming and will become part of our chapter. Good progress is being made toward the 1990 national convention. Kribs Ford City in St. Louis will be a major sponsor for trophies and the Show.

Keystone Chapter met on March 10 at Meyer's Restaurant in Quakertown, PA with close to 40 in attendance. Following the dinner, Chapter President Ed Snyder discussed the Chapter's 1990 activities which included the opening May meet in Perkasio, PA as well as meets in Hersey, Macungie, and the Eastern Regional Meet planned to take place in Toms River, NJ in September. The availability of T-shirts from last year's Eastern Regional was also discussed and the evening closed with the showing of the Chapter's appearance on Berks Community Television's "Spare Parts" program in January.

Northwest Chapter has chosen Bob Rudolph as President. Bob lives in Tacoma, WA. The chapter meets on the first Sunday of each month at 1 pm at the United Methodist Church, 1919 W. Pioneer, Puyallup, WA. A Ford Falcon Rally is being planned for June 3.

REMEMBERING JIM HAMMOND

It is with sadness that I write to inform the club of the death of a great friend and dedicated Falcon enthusiast. Jim Hammond was killed instantly, along with a friend, when his truck left the highway and plunged down an embankment in the Alberta Rocky Mountains. As was his habit, Jim had volunteered his services to deliver household belongings to some friends in British Columbia. Jim and his wife Karen were married less than two years, and had just bought their first home, which makes this accident, which occurred during Christmas 1989, even more tragic.

I first met Jim about 6 years ago through the purchase of Falcon parts for a car I was restoring. Jim's generosity and friendly manner struck me at that time, and we began to share ideas and work together on projects. As a licensed mechanic, Jim provided me with lots of advice and gave me a hand virtually every time I checked out or acquired another Falcon. Our dream was to share a small business venture restoring Falcons.

Jim's 64 Sprint convertible is a southern rust-free beauty and was his pride. He recently replaced the tired 260 with a new 289 and totally rebuilt the suspension. I will help Karen with some interior work and some finishing touches, such as installing all NOS exterior trim, and with that the car will be one of the nicest around. Jim's 65 Futura hardtop will be high on my restoration priority list, and when it is finished will provide me with a lasting memory of a very special person. Thanks, Karen.--Jack Waller, Ardrossan, Alberta, Canada.

ON THE ROAD AGAIN

Have you ever driven 4,000 miles with no real destination in mind? The last week in December and first week in January was our vacation. Where to go was the problem. Sunday morning before Christmas I was eating my traditional breakfast, waffles with pecans, syrup, and Whipped cream on top. It was then we realized where to go--explore Mississippi. With Falcon Club roster in hand, we hopped in the pick-up together with the dog, with a 10 degree temperature in Michigan, and followed snow-covered slippery roads. The snow remained with us until we reached northern Mississippi.

My wife, Dotty, and I would like to give special thanks to the persons we dropped in on. Esker Nelms of Corinth, MS, and Mrs. L. C. Skipper of Meridian, MS. Bonnie Stringer--we stopped at your place in Long Beach, but you were not at home (we had a pleasant chat with your mother).

In Hattiesburg, MS, there is a club member named "General C. Daniel." The General has been sending me pecans for my waffles the last couple of years. Claude really is a retired General (not a Colonel as most of us call him). He straightened me out on his rank and the different kinds of "Yankee" that exist. Claude is a pleasure to visit. Hope to see him at the next Falcon National. Claude's 63 Ming Green convertible has become somewhat of a legend in the club.

After Mississippi we spent a day in New Orleans. We visited the French Quarter and the water front, all interesting. Then it was off to Florida, bumping along the coast. First stop was at the William Locke residence to look at a 65 Sprint convertible. Mr. Locke wasn't home, and Mrs. Locke informed us the car was sold an hour earlier.

On to Tampa Bay area and Dan Amey's house of Falcon parts. Dan has a large inventory of parts for sale. We reached out and chatted with Marshall Foxworthy as it's nice to keep in touch with friends. We ended the day in Bradenton talking Falcons with Russell and Harriett Hoeksema. The next day took us to Vero Beach to look at another 65 Sprint convertible owned by James Van Tuinen. James wasn't home to my disappointment.

Our journey took us up the east coast of Florida where we saw the rocket take off from Cape Kennedy on New Year's Eve. The temperature at Cocoa Beach was a beautiful 77 but upon reaching Georgia it had dropped to 38. Robert Dirksen in Augusta was our next stop. He has several cars and much enthusiasm. Then to the house of the President and First Lady. Gary is my kind of guy with two 65 Sprint convertibles in his garage (one his, the other a club member). Gary has several other 65 Falcons stored. His house is full of Falcon parts, in his oven, dresser, where clothes should be. Thank you Mr. and Mrs. Goddard for your hospitality late into the night.

Michigan's snow and cold weather seemed much warmer with all the fond memories.--Ken Kowalk and Family
